Core Skills

- Video Editing: Premiere Pro, DaVinci Resolve, CapCut, InShot
- Graphic & Thumbnail Design: Canva, CorelDraw
- YouTube SEO: tags, titles, descriptions, timestamps
- Voiceover & audio editing (podcasts & videos)
- Storytelling, scriptwriting, audience retention

Professional Summary

Creative multimedia specialist and YouTube content creator with nearly one year managing a movie-analysis channel. Skilled in end-to-end video production, thumbnail design, voiceover, and YouTube SEO to grow discoverability and retention. Fast learner and collaborative team player eager to contribute cinematic storytelling and data-driven growth to creative teams.

Selected Experience

YouTube Creator — ReelPatrick (Self-employed) 2024–Present

Produced end-to-end video content: research, scriptwriting, voiceover, editing, color grading, and upload optimization. Designed thumbnails and visual assets using Canva and CorelDraw. Applied YouTube SEO practices (keywords, tags, timestamps) to improve reach and engagement. Used CapCut, DaVinci Resolve, and Premiere Pro for editing and color/audio correction.

Notable Metrics

Top Short:

<https://youtube.com/shorts/gIZMTQUb0jM>

- Over 1,000 views; 51.7% stayed to watch; 60% audience retention on top short.
